Background 背景

The University of Surrey is a global community of ideas and people, dedicated to life-changing education and research. With a beautiful and vibrant campus, we provide exceptional teaching and practical learning to inspire and empower our students for personal and professional success.

5-step process 步骤

We are a global community full of passion and ideas, and we are fully dedicated to education between boarder, we aim to ensure the process of forming a progression partnership is clear and simple, therefore, we have a 5-step process for all partnerships.

1. Basic Information

Partner university to provide basic information based on the *Perspective Progression Partner Form*. It is required to provide information in domestic institution background, future development plan, previous achievement, current portfolio and qualifications, progression opportunities. Please include information you think will also be useful for us to evaluate.

2. Creating a Progression Route

If the proposal and provided documents is in line with our propections and future development, we will be in contact with more detail program information and please also provide the following documents for further review:

- a. Domestic Institute Introduction in both Chinese and English
- b. Cooperative Course Curriculum
- c. Learning Outcomes
(Documents include Sample of Degree Certificates, Transcript, Sample of Graduation Certificate, Completion Letter and other useful documents)
- d. Grading Scheme Document
- e. Pathway Programs to provide Module Description, Assessment Strategy, Admission Requirements, etc.

We will then have the relevant faculty to review and formalize the above documents by creating a course mapping.

Please note, for documents C and D, it is needed to provide on official institution letter with official stamp.

3. Academic Assessment and Course Mapping

The faculty will have a detailed review of the documents and pass the mapping to the a committee within the Faculty, which will assess the progression route, course mapping and other details. Once fully approved, the partnership agreement will be drafted.

4. Collaboration Details Confirmation and Partnership Agreement Set-up

Our relevant department will then produce a credit rating agreement for you to review. The agreement will provide information on the responsibility and detailed information of our cooperation.

5. Starting Cooperation

We will provide you with a student application pack. And support your planed cooperation area with our International Office efforts.
